

Paragraph Template

Complete the following outline to make sure your paragraph has all required components.

Use the “Big Bang Theory” clip you watched earlier in this activity or choose one of your own. Write a paragraph identifying two types of noise. Use specific examples to support your thinking.

TOPIC SENTENCE: (Introduce the name of the video and the types of NOISE)

TRANSITION: (Use words like “First”, “Firstly”; or phrases like, “The first example” or “To start”)

STATEMENT 1: (Clearly state the first type of NOISE that occurs in the video)

EXAMPLE: (Describe the part in the video that is an example of NOISE affecting communication)

EXPLANATION: (Explain how this example fits the definition of your selected type of NOISE)

TRANSITION: (Use words like “Second”, “Secondly”; or phrases like, “The second example” or “Also”)

STATEMENT 1: (Clearly state the first type of NOISE that occurs in the video)

EXAMPLE: (Describe the part in the video that is an example of NOISE affecting communication)

EXPLANATION: (Explain how this example fits the definition of your selected type of NOISE)

CONCLUSION SENTENCE:
